

Children Study Their World

Webinar for Program Directors and Early Childhood Coordinators

The *Center for Early Childhood Education and Intervention* at the *University of Maryland*, in partnership with the *Division of Early Childhood* at the *Maryland State Department of Education*, invites you to attend a live webinar entitled

What is the *Children Study Their World* curriculum?

Wednesday, April 3, 2019

6:30 p.m. to 7:30 p.m.

Live Webinar * will be Broadcasted via WebEx

On April 3, the *Center for Early Childhood Education and Intervention* will hold a live webinar that provides an overview of *Children Study Their World* (CSW) curriculum. Topics include:

- Introduction to the CSW curriculum
- A demo of the CSW iTunes U Course for Teachers
 - Curriculum/project guides
 - Professional Development resources
- The application process for the 200 grant funded CSW slots for 2019-2020

*Webinar recording will be available April 5th at noon. We will send a link via email. **You must register in advance to receive the email with the link to the webinar recording.**
