Unlimited Pass FAQ

What do I get if I purchase the Unlimited Pass?

Once you have purchased an Unlimited Pass, you are able to attend as many in-person training sessions with Abilities Network Project ACT as you'd like throughout the year for no additional cost. The pass is applicable to training for the pass holder only and cannot be used to register other people for training sessions.

Why should I get an Unlimited Pass?

An Unlimited Pass will allow you to attend as many training sessions as you want throughout the year for one low price. You will be able to attend training sessions on a variety of topics based on your interests without being limited by the cost. All training sessions provide COK hours to participants who pass the knowledge measure. Child Care Professionals who are enrolled in the *Maryland Child Care Credential Program* will benefit from unlimited access to training to meet COK requirements to move up through credentialing levels. If you are starting your own *Family Child Care Program*, unlimited access to training with the Unlimited Pass will save you money on your start up training requirements!

What is included in my Unlimited Pass?

Your Unlimited Pass grants you access to all in-person training sessions offered at Abilities Network Project ACT's Harford and Baltimore County offices. It also includes trainings hosted at various sites in Cecil County. The Unlimited Pass does *NOT* include the 2-day Medication Administration class. This class is excluded from the Unlimited Pass at this time. The Unlimited Pass *CANNOT* be used for on-line training courses through Smart Horizons, or for trainings with any other organizations.

How long is my Unlimited Pass good for?

Your Unlimited Pass will become active on the day of purchase, and remains active for 1 year from that date.

Where can I use my Unlimited Pass?

You can use your Unlimited Pass at our Baltimore County office in Towson, at our Harford County office in Abingdon, and at various host sites in Cecil County which are announced throughout the year on our website.

I'm already a member of the Project ACT Child Resource Center. Is there a member discount on the Unlimited Pass?

Yes! An Unlimited Pass is available for members at a discounted rate. In order to purchase a discounted Unlimited Pass, you must purchase a new membership that runs concurrently with the dates of your Unlimited Pass. You will be issued a prorated refund for the time remaining on your current membership.

How do I sign up for training sessions with my Unlimited Pass?

If you are an Unlimited Pass holder, you will have access to one Unlimited Pass ticket per training session. When you are logged in on our website, you will see the option of selecting an Unlimited Pass ticket type, which will be listed at a price of \$0.

I participate in the Maryland Child Care Credential Program. Will I be able to get reimbursed for my Unlimited Pass?

Unlimited Pass holders will be issued *a special receipt* following each training for the face value of that training. *Receipts must be submitted to the credentialing office with a copy of the training certificate within 6 months of attending the training.* You will be reimbursed for the face value of each training you attend, until you have been reimbursed for the total price of the pass. For more questions on how this works, please contact Jasmine at jcampbell@abilitiesnetwork.org.

If I have an Unlimited Pass, do I need to register for trainings in order to attend?

Yes! Advance registration for training sessions is required. You can register for trainings on our websites up until an hour before the training is scheduled to begin. Advanced notice ensures that trainers are prepared with sufficient materials for all training participants.

Is the Unlimited Pass refundable?

No. Once the Unlimited Pass is purchased, no refunds will be provided.
